

FCR Cobra Rods

Continuous pipe and duct rodding systems, often referred to as cobra rods, conduit snakes, duct rods or conduit rods, give a compact and labour saving solution when installing duct ropes or testing ducts

- Rod is manufactured from the highest quality helically wound fibreglass epoxy construction
- Available in a choice of diameters, non-standard sizes available on request
- Rod can be mounted on a rugged and robust zinc plated steel frame or as a replacement rod only
- All rods come complete with guide tip/bullet end
- 9mm, 11mm & 14mm frames come complete with wheels
- Full range of accessories available
